

(Road surface) :
RHUP/LINC.

Ramps not tested.

Friction Testing. - Gary Moore

- Both

→ slippery when wet
- paving is equal to
MTO.

Northbound
2018
Southbound
2019.

MTO having initial problems
with their SMAs.

Hamilton superior to MTO's

Golders was consultant.

trade link scientific.

used a grip tester
british method.

Linc superior to RHUP

#sup in ^{high} 50-

low 60s

down in the 40s

done at 50/km.

MTO does theirs at operating
speed.
