Hi Edward,

Further to our telephone conversation yesterday, please be advised that Intus Road Safety Engineering Incorporated (Intus) is currently active on the following files related to the Red Hill Valley Parkway and/or the Lincoln M. Alexander Parkway.

Court	Court File No.	File	Client
<h1>Litigation Privileged</h1>			

In both cases, Intus is assisting in defending the City of Hamilton. As such, our office is available to assist the City with the assignment we discussed.

I trust this is satisfactory. If you should require anything further, please do not hesitate to contact me directly.

Regards,

Gerry Forbes, M.Eng., P.Eng., P.T.O.E.
