Card and flowers Darlene. The fact that it was on Red Hill makes what is unimaginably sad even worse.

Chris –so so heartbreaking. Are you thinking of:

- 1) Visitation?
- 2) Sending a card?
- 3) Sending flowers?

Thanks Ellen. I read the article this morning and thought how unimaginably sad. We'll make sure to connect with Belinda and her family.

Hi Chris,

As covering for Elizabeth, I just thought I would share that the sudden passing of one of the girls, Olivia Smosarski, in the recent tragic car accident was the daughter of one of the Public Health Nurses, Belinda Marazzato, in the Family Health Division.

Supports are being offered to staff colleagues this week.

I just thought you may wish to be aware.

We are still awaiting specific details re visitation/funeral.

Ellen

We are moving – please note that as of May 4, 2015 I will be located at the David Braley Health Science Centre, 100 Main Street W., Hamilton, ON, L8P 1H6
